# door styles

What's your style? We make it simple to select, with an impressive array of doors available in wood, thermofoil, melamine, mdf and acrylic. Choose a door material first, then pick a profile. Next, select a door style from our two beautiful product lines, from the broad choices of Integra to our value conscious Aurora. You will see that Kitchen Craft doors are arranged from the most simplistic of styles down to detail-oriented door rails, drawer fronts and center panels. In layman's terms—we've laid them out from plain to fancy, making it easy for you to determine the right look for you!

# helping save the environment

At Kitchen Craft, we strive to offer the world's most beautiful and quality-built cabinetry at a minimum impact for a better quality of life. To maintain this for today and future generations, Kitchen Craft has achieved certification in the Kitchen Cabinet Manufacturers Association's (KCMA) Environmental Stewardship Program. This ensures our product meets the lowest emission standards for better indoor air quality, employs the use of 100% recycled materials, sources hardwoods from credible sustainable foresters, and adopts a company-wide reduce and recycle program.

The wonderful versatility of frameless construction in a great variety of options. Kitchen Craft's tradition of construction excellence has always begun with the right materials, hinges that fit the needs of a modern lifestyle and designs that allow for full access. The features associated with our standard cabinet boxes (see below) assure a well constructed cabinet and respect any budget. What's more, several upgrades give you the freedom to add features as desired.

## box construction options

construction

### Standard Cabinet Box

- European inspired **full access** frameless cabinet design
- Concealed 110 degree, 6-way adjustable clip-on hinges
- 5/8" thick furniture board cabinet sides
- Easy clean melamine cabinet interiors
- 5/8" thick horizontal cross braces integrate sides to front and back of cabinet
- Full depth adjustable shelves
- 3/16" painted hardboard back

### Upgrades

- Plywood construction option - 5/8" plywood-core board replaces 5/8" particleboard-core in all places where melamine is used in standard product line. 1/4" plywood-core board back.
- Natural maple interior option
- Optional integrated Smart Stop™ soft-close hinge for doors
- Optional 170 degree hinge

Isn't it great when aesthetics also open the door to better function? In addition to an interior that radiates natural warmth from the wood and dovetail joints that are more noticeable, the wood drawer box offers more usable space in length and height. And the metal drawer box, with a metallic champagne color popular in modern appliances, fits beautifully in Euro and frameless cabinets.

## drawer construction options

construction

### Melamine Drawer Box

- 3/4 Drawer extension
- Upgrade option available for Smart Stop™ Soft-Closing Guides, Hardwood Dovetail Drawer Box, or Metal Drawer Box drawers
